SAUL D. GERARDO

East Moline, IL | sauldgerardo@gmail.com | (309) 738-4993 | LinkedIn | GitHub

EDUCATION

Iowa State University | Ivy College of Business — Ames, IA
Bachelor of Science in Supply Chain Management — May 2027
Association of Supply Chain Management | APICS
Certified Supply Chain Professional — April 2027

INTERNSHIP EXPERIENCE

Pfizer — June 2026 – August 2026
Global Procurement Intern — New York, NY

- Automated new-supplier request process via MS Power Automate, MS Forms & email workflows to auto-route requests to procurement managers, reducing manual processing time for 50+ weekly requests
- Researched & Presented SRM 2.0 solutions to leadership, evaluating supplier management across 30K+ suppliers
- Led compliance data collection for PFAS chemicals across 30+ sites to meet Minnesota reporting requirements
- Advised procurement on AI solutions; cost-benefit analysis backed Claude adoption for department wide use

Tesla — January 2026 – May 2026
Global Supply Manager Logistics Co-Op — Palo Alto, CA

- Co-negotiated & led RFQ analysis across 60+ Euro Asia rail lanes across 3 carriers, analyzing market, historical, FX, & fuel rates optimizing carrier allocation, cost, & capacity reducing cost/km up to 15% per zone & lane
- Automated 75+ weekly air invoice audits via Claude & Python, fully automating spot invoices for air cargo
- Audited $1.25M+ in rail, trucking, & air invoices, communicating with Asian & European carriers, saving $90k+
- Built a control-tower template for bi-weekly data across 10+ carriers/3PLs, with prototype Power BI dashboard
- Modeled 100+ parcel rates across 3 carriers, benchmarking YoY comparison to enterprise & market rates

United Airlines — May 2025 – August 2025
Cargo Logistics Intern — Chicago, IL

- Developed 3 Power BI dashboards achieving daily automation using internal database, Alteryx, DBeaver, & MS Excel to analyze temperature-controlled unit demurrage fees by freight forwarder, lane, & pharma customer
- Automated 500+ daily ULD lease return using Power Automate & Office Scripts, reducing manual processing
- Audited 90+ global vendor invoices up to $300k+, ensuring billing accuracy, via Coupa, Adobe, & MS Excel
- Modeled cargo ops across 6 sites, validating pricing via 20+ stakeholder meetings for United Next's 800+ aircraft
- Identified $760K in cost-saving & initiated audits recovering $92K from vendors in Q2 across 3 cargo hubs

Palace Entertainment — April 2024 – August 2024
Warehouse & Inventory Intern — Altoona, IA

- Oversaw alcohol distribution & documentation across 13 bars; managed $350K assets & $45K weekly deliveries
- Designed Excel based replenishment system & requisition sheets; authored Spanish/English SOP handbook
- Uploaded inventory data into Workday & partnered with finance directors ensuring compliant purchasing

LEADERSHIP

PRISUM Solar Car: *Supply Chain Representative & Material Planner* — May 2026 – May 2027

- Managed material planning for PV array, battery cells & power electronics across 10+ suppliers

Supply Chain Management Club at Iowa State: *President* — May 2026 – May 2027

- Led risk management for professional trips, spearheaded ProMat 2025/27 trip & secured $2.5K+ in funding

Alpha Kappa Psi Professional Business Fraternity: *Chapter President* — November 2024 – November 2025

- Led chapter turnaround, directing 10 execs to grow membership 50+ & land 5+ Fortune 500 partnerships
